

October 2025

Dear Valued Patient,

We are excited to share some important news with you about the future of your eye care.

Busack Eye Center will soon be merging with Maryland Vision Institute, and we will be moving to a new, state-of-the-art location to better serve you. Beginning early January 2026, all appointments will take place at:

Maryland Vision Institute
112 Thomas Johnson Drive
Frederick, MD 21702
301-791-0888

This merger allows us to bring together our teams, expertise, and resources so we can continue delivering the personalized, high-quality eye care you know and trust, now with even more services and advanced technology to support your vision needs.

Your medical records will transfer automatically to our new location, so there is nothing you need to do. You will continue to see the same doctors and staff you know, with the added benefit of an expanded team of providers, specialists and support staff who are available to care for you and share the same commitment to exceptional eye care. If you already have a future appointment scheduled, we will send you additional communication and reminders ahead of your visit.

We are deeply grateful for your loyalty and trust, and we look forward to welcoming you to our new location. If you have any questions or would like to schedule your next appointment, please don't hesitate to call us at our current phone number, 301-668-2020, or visit our website at www.busackeye.com.

Thank you for choosing us for your eye care. We're honored to continue serving you as part of the Maryland Vision Institute team.

With appreciation,

The Providers and Staff of Busack Eye Center
